STOCK ITEMS

All items listed in this section of the guide will be managed and stocked on premise. For items not appearing in this section please refer to our non-stock section at the back of this guide.

TERMS AND CONDITIONS

ALL PRICES IN CANADIAN FUNDS

ORDERING

When ordering by phone or fax please have ready or include your customer number and shipping information and have your method of payment (VISA or Mastercard) handy. Please use the proper catalog codes when ordering. This will ensure that your order will be processed promptly and accurately.

PAYMENT

Payment for your order can be done by authorizing us to charge the amount to your VISA or Mastercard. Sorry No C.O.D.'s.

PRICING

It is our policy to offer the lowest prices available for our items. The strength of the Canadian dollar in the market place greatly affects our business.

All prices are subject to change without notice.

Our two tiered pricing structure has been initiated to reward volume purchases. Orders of \$400 (excluding taxes and freight) or more qualify for Gold level pricing.

Gold level pricing can be achieved by accumulating yearly purchases of \$2000 or greater.

SHIPPING & BACK ORDERS

We ship via Fed Ex. Orders received before 1:00PM EST are processed and shipped the same day. Please inform us if you wish to retain back orders on file. Our turn around time is relatively quick, however we will not ship back orders unless you pre-authorize us to do so. Freight extra. Otherwise please re-order in 4 to 5 days.

DAMAGED GOODS

Should any items arrive damaged, please contact SG Distributing and the carrier immediately. Please include your customer number and invoice number with each claim. Unauthorized returns are subject to a 15% restocking charge.

TAXES

All prices shown are in Canadian dollars and exclude taxes and freight. Canadian orders are subject to the 5% GST or 13% HST (where applicable).
